

## Radars Event Services - Working to Make Your Event a Success

Radars Event Services is a family owned Audio Visual supplier with a difference. Our reputation is built on over 30 years of hard work, reliability and trust.

We promise you impartial advice, state of the art equipment and a team of dedicated professionals. In short, a stress free AudioVisual experience from the first telephone conversation to the successful conclusion of your event. Radar Event Services are a creative event production company. We pride ourselves on the ability to consistently deliver outstanding results for a diverse range of clients requiring that little bit extra. Radar Event Services provide a turnkey service whether it be the rental of a plasma screen, a fully produced awards show or live filming in standard definition or HD, Radar Event Services have the technology and the experience to add that special touch.

Radars Event Services hold an up to date and impeccably maintained audio visual hire stock that includes projectors, plasma screens, AV equipment, sound systems, stage lighting, staging and creative sets.

Our video and media team can design and supply creative sets that look a million dollars. For conferences we can provide multi camera shoots and projection with Powerpoint and Keynote graphics, VT playback and live webcasting in standard definition and high definition.

Call Radar Event Services for:-

Conferences, Roadshows, Award Ceremonies, Exhibitions, Product Launches and Event Management.
